**In a week 16000 people's lives were just ruined because of an app because of an algorithm that spits out their name.**

IJOP is a pre-crime prediction platform that uses AI for mass data collection...

You can be arrested for using more electricity than "normal", or when you leave the zone where you are registered to live without police permission.

You need to pay attention to this because what's happening in Xinjiang is not staying in Xinjiang, it's already in other places in China, and the Chinese government is actively exporting this.

**It's terrifying.**

A Big Thank You

A big thank you to those of you who attended the AV13 Conference in Milton Keynes. It was fantastic to finally get back together and welcome old friends and newcomers to a very enjoyable and memorable event. We are already already working on the next AV events.

If you didn't make it to AV13 we now have the presentation recordings available.

Regards and best wishes.
